Program Mission Statement

The John and Alice Butler College of Osteopathic Medicine's mission is based on the wider Mission of the University of Dubuque. The specific Mission of the College is to educate and train caring and competent osteopathic physicians who will have an impact on the health of individuals and communities in rural and underserved areas.

Vision

The vision of the John and Alice Butler College of Osteopathic Medicine is to be a leader in innovative education and research, based on osteopathic principles that emphasize the unity of body, mind and spirit in all people.

Values

The values of the John and Alice Butler College of Osteopathic Medicine include the pursuit of academic excellence, community-centeredness, respect for and inclusion of diverse perspectives and experiences, and a focus on the whole person in physician formation.
